

School Council Notes
September 13, 2018

1. We are in need of a new executive: including a chair, vice-chair and secretary. Sign ups to be on

executive will happen at Back to School night and then the executive will meet to vote for specific positions. Anyone interested in serving on the executive is welcome to sign up.

2. One goal is to increase parent involvement. We will do this with the formation of committees at

Back to School Night. This will allow parents to sign up for one area they are interested in supporting and hopefully draw more parents into participating in our school community. Parents may sign up for one or more committees. Possible Committees that school council identified are:

- Tasting Tuesdays
- Fruit Friday
- Holiday Market
- Year End Carnival
- Bookfair
