

Cardston Elementary

Principal's Message

This month brings our first reporting period to an end. On November 22 at 3:10 pm, we will hold parent teacher conferences and look forward to the opportunity to celebrate your student's growth with you! We invite you to register for your parent teacher interview times using the link below.

The parent teacher interview is actually more important than the report card. This interview provides you with an opportunity to share any goals you have for your child, model the importance of education to your child and resolve any concerns that you might have about your child's school experience. Teachers will also share student progress including their strengths as a learner as well as areas for greater focus and improvement. If you are unable to schedule a time on November 22, please email your child's teacher and they will gladly schedule an interview at another convenient time.

Please note that interviews are scheduled in 10 minute increments to allow for all parents to meet with each teacher. If you decide you would like to have a more in-depth conversation, you may set another appointment to meet with your child's teacher.

Remembrance Day Assembly

Thursday, November 8 at 10:30 am

We are currently gathering the names of all an veteran relatives of Cardston Elementary students. We plan to create a Honour Roll to post in the gathering area in memory of their sacrifice. Please use the following link to submit the names of any family members who served in the United States or Canada. We ask that you include either the war(s) in which they fought or active duty dates, if possible. You may also submit their rank. We are doing our best to include as many CES community members as possible. You may send the names to the office or use this link to access an online form. Name must be submitted by Wednesday morning at 8:30 am.

Thanks for your support. We will continue to build our list for further years so if we miss your name for this year, please send it anyway so we can add it for next year.

NOVEMBER 2018

School Council Meeting

Thursday, November 8 at 7:00 pm at CES
Staff Room

You can find a copy of the agenda on the
school website or Facebook page

Cultural Awareness Committee

Tuesday, November 13 at 6:00 pm at CES

All parents are welcome at both meetings!

Monthly School Assemblies

Our assembly this month was a smash!
We had a number of student
performances including a quartet for O
Canada, a Grade 3 class song and of
course our school song. Our Hope
Squad members were introduced as well
and we practiced our first CES wave.
Finally, we were able to draw from our
“Good Vibes” jar and celebrate student
excellence in our school.

Check out our [website](#) for a few
video clips from our assembly this
month.

School Lockdown Report

Our practice lockdown went smoothly. All students remained calm and secure. Teachers were prepared with quiet activities they could do in the classroom. The RCMP helped us identify ways to improve in the future including ensuring all classroom lights are out and doors locked. We are pursuing the possibility of having doors that can lock from the inside in an effort to help the lockdown process run a little more smoothly. Otherwise, the whole school was so quiet you would have thought it was empty. Great job CES students and staff!
