

Cardston Elementary

Principal's Message

Flu season is upon us and we just want to remind you how we can all work together to develop a plan of action for keeping our school as healthy as possible. Since November 30 we have had 15-25% of our students out sick each day. Here are the steps we are taking to try and address the high flu rates:

- ▶ Increased cleaning and sanitization of school each night and over the weekend by custodial staff
- ▶ Students and Staff wiping surfaces with sanitizing wipes at the end of each day
- ▶ Hand sanitizer is available for students to use in their classes
- ▶ Each class will review proper hand washing and hygiene practices

At home, you can support us in trying to keep our school as healthy as possible by:

- ▶ Keeping your sick children home
- ▶ Reminding your kids about good hygiene
- ▶ Reminding your kids how to handle a cough, sneeze and snot appropriately
- ▶ Ensure that during this busy holiday season students get enough sleep and rest

We know that we can not prevent all illness but hope that these measures will reduce the spread of our current outbreak. Thanks for your support!

School Council Meeting

No School Council in December.

Next Meeting is January 10 at 6:00 pm

All parents are welcome!

We want to thank all the parents, vendors and community members who supported our Holiday Market! We had a great turn out and most vendors reported excellent sales!
